Tribal News

November is National Native American month. In view of that celebration we would like to make it known that we have speakers available to come and inform workers, schools and the community if they are in need of this service.

We also support FCIOO with the celebration their 10th Anniversary. The members' service department has been working diligently to help support the Tribe with its Federal Petition. If you are interested in volunteering at any event please ask Sheila Mayle, Sherry Walker and Joni Mayle as to how you can assist the Tribe.
